**DECLARATION FOR PATENT APPLICATION**

This Declaration is made by Karl G. Schakel as Personal Representative of the Estate of Karl Walter Schakel, Deceased.

I, Karl G. Schakel, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is 1162 Saint Germaine Drive, Fort Collins, CO, 80521.

I further declare that Karl W. Schakel was the original, first, and sole inventor of the subject matter which is claimed, described and for which a patent is sought on the invention now entitled "Health Enhancement System", the specification of which has been provided to me at or prior to the time of signing this declaration. I have reviewed and understand the contents of this specification as above entitled, including any claims.

I also believe that Karl W. Schakel was the original, first, and sole inventor of the subject matter:

- "System for Improving Results of Treatments and Also for Enhancing an Ability to Resist Types of Disease", United States Provisional Application Number 60/393,717, filed July 1, 2002.

I hereby claim the benefit under Title 35, United States Code §119 of and to the above-identified United States patent application; there are no foreign applications having a filing date before that of the application on which priority is claimed.

I hereby declare that the specifications and disclosures herein submitted are intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the

invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. I also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby grant the firm of Santangelo Law Offices, P.C., the power to insert on this Declaration or any other document any further identification which may be necessary or desirable in order to indicate filing information or to comply with the rules of the United States Patent Office or any foreign patent office for recordation of this document, including, but not limited to, inserting the application number, the execution date, mailing information, or the filing date of the above-identified United States Patent Application based upon the Invention.
